

BIRTHDAY DELIGHT

Locally owned business ready to celebrate With a host of activities and giveaways

GO Camping is a locally owned business servicing those with a passion for all things outdoors.

Business development manager Kerrie Freeman said a second generation was now coming in to the store.

"They used to come in with their parents," she said.

"Now they're bringing in their own kids.

"In fact our sales and purchasing manager used to come in with his dad when he was young.

"We're celebrating our 21st birthday on Saturday March 9 and are inviting our customers to party with us.

"There will be 'reverse birthday presents' where we give away loads of gifts such as tents, domes, gazebos, swags, chairs, coolers, fishing rods, tables, hats, socks and lots more.

"Ranger Nick will be demonstrating camp oven cooking with meals to give away at 10am, noon and 2.30pm.

"There will also be Weber cooking demonstrations, targets set up to shoot paintballs, face painting, a jumping castle, balloons for the kids plus a sausage sizzle."

Go Camping currently has two competitions running.

INSIDE TIP

Nature has been for me, for as long as I remember, a source of solace, inspiration, adventure, and delight: a home, a teacher, a companion.
